I want to introduce in behalf of Senator George, in the north balcony 7 eighth graders from St. Paul's Luthrean School from Arlington and with them are four adults. I see Senator George is up there with them at this moment. We welcome the youngsters especially to the Legislature. Now the Clerk will read.

CLERK: Mr. President there is an Attorney General's opinion Number 83 which will be inserted in the Journal.

Mr. President that concludes the matters on Select File. The next bill is LB237 on General File.

PRESIDENT: We will go to General File, the Clerk will read the title.

CLERK: Read LB237

PRESIDENT: Senator Burbach do you wish to be recognized before we start on General File?

SENATOR BURBACH: Yes. Mr. President, members of the Legislature, it is now 4:15 and I would have brought in here by the Pages 52 box lunches and there is pie, milk or coffee whichever you desire. I move that we recess for 20 minutes and then return back to our work.

PRESIDENT: Senator Mahoney, do you wish to speak on the motion?

SENATOR MAHONEY: Yes, I just want to say to the members that they know that the Speaker from his own funds has paid for this luncheon this afternoon.

PRESIDENT: I'm sure that they are going to appreciate it. I think that probably the most appreciation you will be able to give after this recess that it is 20 minutes long and that you be here on the spot ready to go when the time is up. That time would be approximately about 25 minutes till five, so I hope that you wouldn't go too far. OK the motion is to recess. All in favor say aye, opposed nay. We are in recess.

PRESIDENT: First bill up is LB237 on General File. The Clerk will read the title.

SENATOR LUEDTKE: Mr. President, these committee amendments constitute the bill and I would refer the committee amendments and the bill to Senator Barnett. I move the adoption of the amendments.
